Disfrutar is lead by the head chefs of former “best restaurant in the world” El Bulli. Hence it comes as no surprise that Disfrutar is a culinary spectacle you have to experience once in your lifetime. You can choose from one of the two tasting menus which are, needless to say, cooked to perfection. Priced between 65 and 95 euros, the minimum of 19 dishes will excite you, thrill you, and most certainly overwhelm you. Both open for lunch and diner, make sure to place a reservation if you’re ready for Disfrutar!
